

U4P4. INTERFACES SUPERHEROES

ROJAS BADILLO EMILIO

The screenshot shows a Java IDE with a dark theme. The background of the IDE is a wallpaper featuring two anime-style characters, one in a yellow and black suit and another in a blue and white suit, standing on a rocky surface with a large planet in the background. The IDE has several tabs open: Super.java, inter.java, dc.java, Main.java, and marvel.java. The Main.java tab is active, showing the following code:

```
1 public class Main {  
2     public static void main(String[] args) {  
3         dc flash = new dc("flash", "identidad", "humano", "velocidad", "traje", 5);  
4         flash.Pelear(flash.nivel, flash.tipo_poder);  
5         marvel iron =  
6             new marvel("iron man", "identidad", "humano", "traje", "traje", 4);  
7         flash.Pelear(flash.nivel, flash.tipo_poder);  
8     }  
9 }
```

A terminal window is open in the center, showing the following commands and output:

```
[emilio@user1012007][4.4]{main}$ javac Main.java  
[emilio@user1012007][4.4]{main}$ java Main  
nivel pelea: 5 en velocidad  
[emilio@user1012007][4.4]{main}$ javac Main.java  
[emilio@user1012007][4.4]{main}$ java Main  
nivel pelea: 5 en velocidad  
[emilio@user1012007][4.4]{main}$ javac Main.java  
[emilio@user1012007][4.4]{main}$ java Main  
nivel pelea: 5 en velocidad  
nivel pelea: 5 en velocidad  
[emilio@user1012007][4.4]{main}$
```

The bottom left of the IDE shows "Main.java" and the bottom right shows "8:1".
